

IN THE CLAIMS

10. (Twice Amended)

A method of improving weight gain and growth, while decreasing morbidity and mortality in animals comprising: administering a supplement to [an animal] a pig post-weaning through the [animal's] pig's water source, said supplement comprising a water stable globulin concentrate, and further providing that said supplement comprises at least 15% IgG.

Please cancel claims 11 and 12.

In claim 14, line 1, please delete "13" and insert
--10--.

Please cancel claim 28.

In claim 29, line 1, please cancel "claim 28" and insert
--10--.

REMARKS

I. Claim Rejections - 35 U.S.C. § 112, Second Paragraph

Claim 14 was rejected under 35 U.S.C. § 112, second paragraph, as being indefinite for failing to particularly point out and distinctly claim the subject matter which Applicant regards as the invention. Specifically, the Examiner notes that claim 14 is incomplete as being dependent on canceled claim 13.
